## PERSONAL PROJECT

Put your skills to the test to solve a problem or create something new. Need inspiration?

- [Aaron's Initiative](#)
- [Electrion](#)
- [Faris' Project](#)

RE-DESIGN  
YOUR  
BREAK!

# CONNECT AND PREPARE

## BUILD YOUR ONLINE PRESENCE

Expand your professional presence and stand out from the crowd.

- Update your [Handshake](#)
- Create a [LinkedIn profile](#)
- [Develop](#) an [e-portfolio](#)

## ATTEND VIRTUAL EVENTS

Connect with potential employers through career fairs, information sessions, conferences, and webinars. Review Handshake events and those offered by your field's professional organizations.

## GROW YOUR NETWORK

Connect with alumni using the [LinkedIn Alumni Tool](#) or [AlumniFire](#) and conduct [informational interviews](#) with your contacts.

## PREPARE FOR FUTURE RECRUITMENT

- Update your [resume](#)
- Brush up on [interview skills](#)
- Research [companies](#) and industries of interest

## HIGHLIGHT THE VALUE OF YOUR EXPERIENCES

Reflecting on what you learned and outlining your accomplishments will also be an important step in the process. The activities listed above are valuable, but it's up to you to articulate their value to potential employers. Practice explaining how these activities helped develop your qualifications and be sure to update your resume.
