INSTRUCTIONS - How to select Ohio State University Engineering Majors

In order to help attract students that best meet your recruiting needs, please follow these instructions to select the correct majors. NOTE: For specific engineering majors offered at The Ohio State University, use option 3.

Within your career fair registration, scroll to “Major Groups”

Next, you have 3 options for selecting majors:

1. Select “Majors By Group” (mapped in Handshake to multiple Ohio State University majors)
2. Select specific Handshake majors (mapped to Ohio State University majors – select/unselect, per your recruiting needs)

3. Select specific Ohio State University Individual Majors (use the Search box to select specific Ohio State Engineering majors)
