

## **Special Job Search Resources During COVID-19**

*Though many businesses and public places across Ohio and the nation have had to close during the COVID-19 crisis in order to promote social distancing and slow the spread of the virus, there are many businesses that are essential during the crisis. The job search resources below have been specifically curated to provide job seekers with additional options during this time.*

### **Candor: Now Hiring, Hiring Freezes, and Layoffs List**

A user-generated list that gathers information on self-reported hires, freezes, and layoffs due to COVID-19. This list is not moderated, but it is meant to serve as a resource for jobseekers using community-generated information and insight.

### **Covintern**

While remote internships have existed for some time, they're now more popular and needed than ever, when multiple states are under "Stay-at-Home" orders and millions of students are home from college. Covintern connects employers with positions and programs to fill with students from top universities with available time and a desire to learn.
