The American Universities' China Association (AUCA) is an open organization for US universities’ representatives based in Mainland China to exchange information and resources, learn from each other’s experiences and best practices, and pursue collaboration and partnerships, for the purpose of better promoting the universities they represent and further advancing US-China higher education internationalization.

ABOUT AUCA CAREER FAIRS

AUCA Career Fairs are high-quality career events for overseas talents from top U.S. universities. Since 2016, AUCA has organized 10 big career fairs and 10 career seminars all over China, attracting more than 250 employers, 10,000+ oversea returnees from 400+ oversea universities cumulatively.

This is an excellent opportunity for you to meet with outstanding employers from top international and local companies. Over 160 companies and 300+ HR professionals are expected to join us in Shenzhen, Shanghai and Beijing to recruit and network with international talent like you, bringing more than 4,000 full-time and internship opportunities.
