---

**STUDENT PANEL: FINDING AND SUCCEEDING IN AN INTERNSHIP**
Are you looking for a summer internship? OR Do you already have one lined up and want tips for success on the job? Either way, this panel is for YOU! Hear from engineering students who have “been there, done that.” The panelists represent a variety of majors and will give insider tips on finding and landing a position as well as making the most out of your summer.

- **Thursday, March 29** 5:00pm—6:00pm  CBEC130

---

**CONVERTING AN INTERNSHIP INTO A CAREER**
Most companies use their internship and co-op programs as a pipeline for future talent: their goal is to “test-drive” potential full-time hires. This means that you should be treating your entire experience as a 12 week job interview. Learn what it takes to have a successful work term that leads to an outstanding performance review and possibly, a return offer.

- **Wednesday, April 11** 4:30pm—5:30pm  Bolz Hall 128
